

As we Restart Mandurah, the City of Mandurah and Coast FM would like to congratulate our winning Local Legend, Megan Reynolds

Megan is the manager of Food Bank Peel and was nominated by her husband Scott for helping those in need during COVID.

Demand for help from Food Bank surged, but much of their volunteer base was not permitted to leave home, as they are over 70.

Megan stepped up and worked 14 hour days distributing emergency relief at Food Bank, and then came home to work online sourcing more food from retailers. She put her family in second place to help others in need during this time.

Last week, Coast FM and the City of Mandurah asked our community to nominate a local legend who has supported their neighbours, community and local business in Mandurah during the health crisis. We received over 30 nominations for people doing amazing things across all sectors and at all levels in our community. We would like to recognise and thank the following local legends:
